

# ACIMEX Drop table

The ACIMEX drop table belongs to our marine equipment range, along with C-hooks and grabs. Reliable and simple to install, the drop table fixes itself to an excavator or a cable crane.

## DESCRIPTION

- > Lightweight and ergonomic
- > Usable with : TETRAPOD, ACCROPODE™ (I & II), ECOPODE™, CORE-LOC™, Xbloc®,...
- > Places 80 blocs per day

## PERFORMANCES

- > Maximum load capacity : 50 tons

## ADVANTAGES

- > Simplified positioning of blocs
- > Quick installation on the lifting equipment
- > Rotation control and sling release all done by the crane operator
- > Reinforced security (less staff onsite)
